## Month Of Maintenance

Another month of great weather is behind us, and Trails and OBTC members used it to enjoy their matches. It will get hotter soon.

And the enjoyment of a tennis game will get even bigger when all of our courts have been resurfaced. After a 3 month wait, new clay has finally arrived, and the courts will get resurfaced as quickly as possible. Read more about it at the bottom of this page.

And since time and staff are widely available to us during the summer, other deferred repair projects will get tackled as well: the still-leaky roof, some porous deck boards, some imperfect fences, and the parking lot wall. Our staff will stay busy, that is for sure. ☺

And while we can enjoy the peacefulness of our local world, war

is still ongoing in the Ukraine. Jan and his wife recently enjoyed a long weekend in New York. Among the many things to admire in that city was also a crocheted mural in the World Trade Center area, designed by a 16 year old Ukrainian boy currently living as a refugee in Poland.

### IN THIS ISSUE:

New Members	1
Court Resurfacing	1
Summer Camps	2

## New Members

It is always nice when players you know well join your club. Such happened in May when two well-liked ladies joined the Trails:

- ◆ Marv Hermann
  - ◆ Barbara Manne
- Both Mary and Barbara are long

time local tennis players. For the time being, they are only interested in playing singles with each other. As that preference changes, they will get involved in matches with the Trails/OBTC membership as well. Welcome to the Trails, Mary and Barbara.

## Court Resurfacing And Other Maintenance Jobs

It is weird how little things can make you happy. On May 31 the long delayed delivery of clay finally arrived: 6 pallets of clay, each weighing 1.4 tons: 336 bags at 50 lbs each. That's quite an amount of clay to haul around. Our court maintenance crew will do that over the next weeks. The resurfacing of the courts should be done by the end of June. Your patience and

cooperation are appreciated while this important court improvement work is being performed. Please accept our apologies when YOUR PREFERRED court might not be available for a few days. Our maintenance men work as hard and as fast as they can. And they need cooperation from the weather, too, as clay can only be spread when the weather is dry.

# Summer Camps For Juniors

**Camp Information**

**Camp Overview**

- Ages 5 & up

Dear members of the Trails Racquet Club,

Summer is here, the kids are almost out of school, and summer tourists have already started to flood into our area. If you are looking to play against new people at your level, talk to Jan. The staff at the Trails Racquet Club and OBTC is always interested in setting up matches for you. Also, apply sunscreen generously and drink plenty of fluids. Looking forward to seeing you on the courts often. Happy Trails,

Jan Buenner & Team
